#### 70+ Years Strong

The history and story of Taymor are as much about the importance of family and values as it is about building a future for generations of employees and enhancing the lives of customers for years to come. In 1948, Jake Zalkowitz, who first immigrated to Canada from Lithuania, founded Taymor with Jim Taylor and Len Morris (forming the name "Taymor") in a small storefront in East Vancouver in pursuit of safety, security, and a joyful space to call home. These same enduring goals that motivated Taymor in its humble beginnings are a constant source of inspiration for our continued success.

#### **Since 1948**

Since 1948, Taymor has proudly designed and manufactured architectural hardware products of exceptional design, quality and value. True to our tradition, each Taymor product is crafted meticulously with the utmost attention to detail. From modern residential locks to stylish bath accessories, our comprehensive range of door and bath hardware allows you to harmonize design throughout the entire home and complete your projects seamlessly.

Taymor locks and signature bath collections are installed nationwide in multi-family residential developments, private residences and leading hotels and resorts. With well-stocked distribution centers in San Francisco, Vancouver and Toronto, we deliver clean and modern designs to customers throughout North America.

#### **New + Noteworthy**

Vivian Zalkow, CEO

At Taymor, we pay homage to tradition while always seeking to put the voice of our customers at the center of our offering. This year we worked with some of the best creative thinkers in architecture and interior design to bring you innovative new designs in doorware and bathware. Details were carefully articulated in each collection to express a simple boldness that harmoniously works with today's sophisticated interiors. We hope our new collections inspire."

#### It's Classic. Literally.

In honor of our founding year, the 1948 collection celebrates our history in hardware, while bringing a little modern architectural heritage to your space. Reminiscent of the joinery utilized in timber framing, stacked design elements and notched detailing are a nod to post and beam construction—the perfect inspiration for this commemorative collection.

#### 1948 Square

Clean horizontal lines and bold square posts emphasize style and quality in this unique design. For an expertly coordinated environment, complement these highly stylized bath accessories with the 1948 lever. **See pg. 70** 

### 2

#### 1948

The 1948 lever adds architectural appeal to The Premier Line with its striking good looks and premium refinements. A crisp, square profile with collarless rose and subtle ergonomic curve on the back of the lever, present a minimalistic soft-square outline that feels good in the hand. **See pg. 22** 

## 3

#### **Bitter Suite**

Designed to enhance towel storage options, our new Bitter Suite collection brings an artful appeal to your bathroom. Well-proportioned with thoughtful detailing, these all brass bathroom accessories are perfect for small spaces. Try the unique double towel ring which accommodates a thick bath towel and hand towel comfortably. See pg. 71

The Northern Lights collection easily coordinates with your bathroom decor. This modern range of elegantly shaped bathroom accessories includes towel bars, a paper holder, robe hook, and towel ring that add both functionality and beauty to your bathroom. See pg. 76

# ADMIRE

&

## INSPIRE

At Taymor, we elevate door and bath hardware through our attention to design, material, and finish.

It's all in the details. Taymor signature door and bath hardware products help create a look and experience you love. In an incredible range of shapes, sizes, and styles, our products are designed to work together to keep your space cohesive and looking beautiful. On the following six pages, you'll find our Admire & Inspire gallery featuring distinctive and inspirational designs. Each room features Taymor products in coordinated vignettes that harmonize in style and finish. Find all Taymor door and bath hardware products in this catalog and visit us at taymor.com for more information.

# Commercial Locks & Hardware

Designed for today's demanding architectural requirements, Taymor's comprehensive line of commercial hardware delivers consistent, dependable performance across an array of applications. From cylindrical locks and deadbolts to door closers and exit hardware; our commercial program has everything necessary to keep your entryways fully functional and up to code.

DUKE LOCKSET I SATIN CHROME

#### **MAKING THE GRADE**

Taymor meets performance standards set by the Builders Hardware Manufacturers Association (BHMA) and the American National Standards Institute (ANSI) for builder's hardware. The standards are defined by grades in which there are progressive levels of performance benchmarks. The purpose of standardized ANSI/BHMA product grades is to help identify the quality and durability of door hardware through a series of operational and security tests.

ANSI GRADE 1 ANSI GRADE 2 ANSI GRADE 3

**Grade 1** is the strongest grade available for maximum duty commercial applications.

**Grade 2** is designed and built to offer excellent security and durability for heavyduty commercial applications.

**Grade 3** offers reliable security for both residential and light-commercial projects.

Customer Specific Keying Available

#### **Additional Services**

Custom logo keys

Custom escutcheon etching

Custom key stamping and cylinder marking

Minimum quantities and lead times apply. Please contact Taymor for details.

#### **KEYWAY OPTIONS**

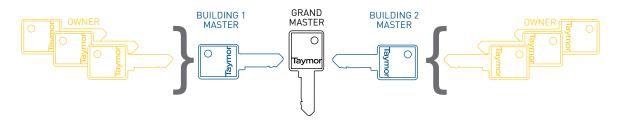

6-pin SC4 keyway for Premier Line 5-pin KW1 keyway for Builders Series **KEYED ALIKE (KA)** systems are a perfect solution for single-family homes where homeowners may want one key to open multiple locks; for example, the front entrance and the back door.

**KEYED DIFFERENT (KD)** systems are common in multi-family buildings where each unit opens with a unique key.

MASTER KEYING (MK) systems are common in multifamily, commercial and institutional buildings where multiple levels of building access are required. Individual units each have a unique key and the master key permits access to all units for maintenance, and management staff as well as first responders.

**GRAND MASTER KEYING (GMK)** allows the owner or strata responsible for multiple buildings to have one grand master key that operates all locks. Individual units have a unique key while each building has a master key that permits access to all areas—or to targeted areas—for tenants, maintenance, and management staff as well as first responders.

**CONSTRUCTION KEYING (CK)** allows the contractor of a project full access during the construction period. Once the owner's key is inserted, operation by the initial construction key is permanently disabled.

**DOUBLE KNOCKOUT CONSTRUCTION KEYING (CKRK)** adds a realtor key between the construction key and the owner key, which essentially allows a real estate professional to get temporary access until final handover to the buyer occurs. Once the owner's key is inserted, operation by the realtor key is permanently disabled.

# **Handleset Customization**

Customize the styling of any Taymor Premier Line handleset with deadbolt, lever or knob interior trim options, a matching square or round decorative rose, and multiple finishes to match your other Taymor locks or home décor.

PLEASE NOTE: The London handleset shown below is for illustrative purposes only.

#### **CUSTOMIZATION TIPS**

- Explore the catalog to see all The Premier Line inside trim options
- Coordinate the deadbolt interior trim with the decorative rose style (square or round)
- Match all interior trim finishes for a streamlined look

## **Terms & Conditions**

All invoices are due Net 30 days from date of invoice. Past due accounts are subject to service charge of 2% per month.

#### **CREDIT APPROVAL**

Acceptance of all orders is subject to approval of Taymor Industries USA Inc. Credit approval must be obtained before order is placed. Contact your sales representative.

• Taymor Warehouse orders are prepaid as per the following grid.

#### PREPAID FREIGHT ON ORDERS

\$500 or more	for destinations in the continental USA		
\$750 or more	for Hawaii and Alaska		

- Warehouse orders under \$500 are FOB Taymor warehouse. Unless the method of transportation is specified at the time of order, we will use the most cost effective carrier available. Orders will be shipped prepaid with freight added to invoice.
- Container Direct orders are not applicable to the above. All freight specifics for Container Direct will be detailed at the time of order.

Orders under \$50 total value will be subject to an additional \$10 service charge for packing and invoicing.

#### **BACK ORDERS**

Back orders will be shipped prepaid. If back orders are not desired, specify on your original order.

#### **SPECIAL ORDERS**

Products noted as special order are available for project orders - minimum quantities and lead times apply. For guotes or assistance for multi-family residential projects, please contact our Customer Service team.

#### **SHORTAGES AND OTHER IRREGULARITIES**

Unless Taymor is notified within 5 days of receipt of shipment of any shortages or irregularities regarding quantities shipped, terms or conditions of sale, it will be assumed that the customer has accepted the order as shipped and invoiced. Customer must initiate and file a claim with the carrier for missing or damaged goods, as the carrier is responsible once they sign the bill of lading. Please note any discrepancies on the carrier's delivery slip before accepting shipment and request an inspection by the carrier.

#### **WARRANTY**

Taymor products are warranted against defect in materials and workmanship for one full year from date of purchase from Taymor, unless otherwise specified. This warranty does not cover any consequential damages or defects caused by misuse, alteration or accidental damage. Warranty does not include any labor costs.

#### **RETURNED GOODS POLICY**

- Taymor considers all sales final.
- All returns require prior authorization. Please contact Customer Service for Returned Goods Agreement (RGA) number.
- Please include RGA # in each box returned complete with: item #, description, quantity, condition of goods and freight responsibility.
- All documentation including packing slips, waybills and claims must prominently state the RGA #.
- All unauthorized returns are subject to a 20% restocking charge, if accepted by Taymor. Contact your Sales Representative for further information.
- All returned goods must be in saleable condition. Products/Goods returned in shop worn or severely damaged condition and/or missing parts will not be accepted. Please contact your Taymor Sales Representative for inspection and resolution prior to returning.
- Products that have been purchased over 12 months prior to a return are subject to review by the Taymor Sales Representative prior to shipping to Taymor.
- Discontinued and special order items cannot be returned.
- Return transportation must be prepaid by the customer.
- All credits will be issued at the invoiced price at the time of original purchase.

#### **AUTHORITY OF TERMS AND CONDITIONS**

The terms mentioned herein are the only ones Taymor Industries will honor. Any exceptions must be approved and confirmed by an officer of Taymor Industries USA Inc. TERMS AND CONDITIONS of buyer's purchase orders will not be honored unless an agreement is reached in writing beforehand. Taymor Industries has the right to refuse credit to anyone, and has the right to refuse to fulfill any orders. No representations, arrangements or agreements not appearing on the order shall be binding to Taymor Industries USA Inc.

## **Warranty Information**

#### **DOOR HARDWARE & COMMERCIAL LOCKS & HARDWARE WARRANTY**

Taymor is pleased to offer a Mechanical and Finish Warranty against defects in materials and workmanship for one full year to the original purchaser, effective from the date of purchase, unless otherwise specified. This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or the use of corrosive or abrasive cleaning agents. This warranty is non-transferrable and applies to products installed in a residential setting. Commercial use is only covered for our Commercial products as outlined in the chart below. Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service.

	THE PREMIER LINE	BUILDERS SERIES	COMMERCIAL GRADE 1 Locksets, Door Closers & Exit Hardware	COMMERCIAL OTHER Locksets, Door Closers & Exit Hardware
Mechanical	Lifetime*	25 year	10 year	5 year
Finish	Lifetime*	5 year	1 year	1 year

<sup>\*</sup> Limited Lifetime

#### **BATH HARDWARE WARRANTY**

Taymor is pleased to offer a Limited Lifetime Warranty against defects in materials and workmanship, to the original consumer purchaser from the date of purchase, as long as the original consumer purchaser owns the home in which the product(s) are installed.

This warranty excludes products that have been damaged through misuse, accidental damage, alteration, normal wear and tear, or by the use of corrosive or abrasive cleaning agents. This warranty applies to products installed in a residential setting. Purchasers for industrial, commercial and business usage are covered by a 5 year limited warranty from the date of purchase. Taymor recommends using a certified plumber for installation and repair.

Taymor is not liable for damages caused by incorrect installation nor incidental or consequential damages. At the company's discretion, Taymor will replace any part or finish that proves to be defective in material and/or workmanship under normal installation, use and service. This warranty does not cover shipping costs, labor costs or any other cost associated with the installation or replacement of the product/parts and is extended only to the original consumer purchaser of the product(s). The original sales receipt must be supplied to Taymor for all warranty claims.

#### **CARE AND CLEANING TIPS**

Taymor uses advanced technology to create a finish highly resistant to the effects of weather and normal wear and tear. Over time, frequency of use will cause some finishes to gracefully age in appearance. Additionally, exposure to atmospheric conditions and elements such as cleaning chemicals may cause some changes to occur. These finish changes are not considered manufacturing defects and are not covered by warranty. Rather, they are indicative of normal wear and tear. As always, following the manufacturer's care instructions will safeguard the longevity of your cherished Taymor product.

**DO:** Clean the product with mild soap and warm water. For best results, dry immediately with a soft, clean cloth.

**DON'T:** Do not use abrasive sponges or scouring agents for cleaning. We also advise against the use of solvents or acidic cleaners, lime scale removers, household vinegar and cleaning agents containing acetic acid.

 $\textbf{For additional information} \ \text{or questions regarding Taymor warranties, please contact our Customer Service team:}$
