Welcome to the CLC® work gear catalog. Our product designers have worked tirelessly to create classic styles with functional features that fit the needs of even the most discerning tradesman. While our factory craftsmen and women have taken great care in building each item to ensure quality throughout. Not only are our products stylish and functional, they’re built tough, too. We’ve selected the right materials throughout, and use proper construction techniques that will give you unrivaled durability. We take great pride in being the leader in the work gear category and work hard to remain The Industry Standard.

CLC® has been THE INDUSTRY STANDARD for over 35 years through an unrivaled dedication to innovation, craftsmanship and quality.

3 Levels of light output allow adjustment for wide area illumination or close-up work.

LED light handle can be easily directed at work area or into toolbag to help identify tools and parts.

Light Output/Levels: 39 Lumens max., 3 Levels.

Powered by two AAA batteries, included.

Convenient open compartment for power tools and accessories.

**TECH GEAR™**

**THE NEXT GENERATION OF TOOL STORAGE**
CLC’s Tech Gear Series brings innovation to the jobsite. Whether you’re an HVAC technician, electrician, plumber, or maintenance repair professional, the seamless integration of power distribution and rotating lights is sure to be a helpful convenience on any job. Our power distribution bags with our integrated power bank and built-in USB system allow you to simultaneously charge 2 devices. Tech Gear’s rotating LED lighted tool bags help you see into your bag or finish a project when light is scarce. We’ve designed and built Tech Gear bags to be the next generation of tool storage.
E-CHARGE LIGHTED USB CHARGING TOOL BACKPACK

**ECPL38**  **POCKETS**  **36**  Patent Pending

Integrated power distribution connects a 15000 mAh power bank to a built-in USB charging system and to an integrated 2-level, 200 lumen, swivel neck LED light.

Padded web carrying handles and adjustable shoulder straps make carrying more comfortable and convenient.

Vertical tool wall to organize a variety of extended screwdrivers and hand tools.

Large pads on back for extra comfort making carrying heavier loads more comfortable on stress areas of the back.

The back zippered charging compartment contains 4 internal charging wall pockets, built-in USB ports, power bank pocket and laptop sleeve.

Multiple interior panels hold a multitude of tools and accessories like drills, pliers, screwdrivers, wrench sets, drill bits, and tester.

The integrated 15000 mAh power bank and built-in USB system you can simultaneously charge 2 devices.

31 Multi-use pockets inside, 5 pockets outside, and 4 additional loops and measuring tape clip help organize a wide variety of hand tools.

Vertical tool wall to organize a variety of extended screwdrivers and hand tools.

Integrated 2-Level, 200 lumen LED light system with adjustable steel neck for lighting bag contents, and wide area or close-up work illumination.

4 Internal charging wall pockets for tablets, smartphones, and small laptops.

Removable 15000 mAh power bank with 2 USB ports (1), (3) for internal charging and a micro USB port (2) to recharge the power bank.

Recharge the power bank with a micro USB cable and AC wall adapter, both items included with the USB charging system.

Recharge the power bank with a micro USB cable and AC wall adapter, both items included with the USB charging system.
The E-Charge USB Charging Tool Backpack with integrated USB power distribution is designed to allow you to internally recharge 2 devices simultaneously with a removable 10000 mAh power bank.

**FEATURES**

- Backpack includes an internal USB charging system with a removable 10000 mAh power bank that simultaneously charges 2 devices.
- Vertical pockets keep tools in sight for quick access.
- Base pad feet help reduce wear and abrasion.
- Padded web carrying handles and adjustable shoulder strap.

The Tech Gear L255 Lighted backpack is a versatile tool bag that comes with an integrated 3 level LED light and holds a multitude of tools and accessories like drills, extension cords, pliers, screwdrivers, wrench sets, drill bits, testers and much more.

**FEATURES**

- Convenient, integrated 3 level LED light system.
- LED light can be easily directed at work area or into backpack to help identify tools and parts.
- Powered by 2 AAA batteries (included).
- 3 Levels of light output allow adjustment for wide area illumination or close-up work.
- Light output: 39 Lumens max.
- 9 Multi-use pockets inside and 44 outside to help organize a wide variety of hand tools.

LIGHTED 14” CLOSED TOP TOOL BAG
Patent Pending

The BigMouth™ tool bag with 3 level LED lights are designed to help you work in low light conditions when you need to complete a project or look inside your tool bag.

FEATURES

 › Convenient, integrated 3 level LED light system.
 › 11 Multi-use pockets inside and 18 outside to help organize a wide variety of hand tools.
 › BigMouth™ design gives easy access to tools and accessories.
 › Padded web carrying handles and adjustable shoulder strap.
 › LED light can be easily directed at work area or into tool carrier to help identify tools and parts.
 › 3 Levels of light output allow adjustment for wide area illumination or close-up work.
 › Light output: 39 Lumens max.

A CLOSER LOOK

 › Swivels to light work area or bag contents.
 › Powered by 2 AAA batteries (included).
 › Base pad feet to help reduce wear and abrasion.

BAR HANDLE LIGHT 15” OPEN TOP TOOL CARRIER
Patent# 9,101,190

Open top tool carrier with 360° rotating 3 level LED lights and ergonomic handle are designed to help you work in low light conditions when you need to complete a project or look inside your tool bag.

FEATURES

 › Convenient open compartment for power tools and accessories.
 › 6 Multi-use pockets inside and 16 outside to help organize a wide variety of hand tools.
 › Base pad feet to help reduce wear and abrasion.
 › Padded, adjustable shoulder strap.
 › LED light handle can be easily directed at work area or into tool carrier to help identify tools and parts.
 › 3 Levels of light output allow adjustment for wide area illumination or close-up work.
 › Light output: 39 Lumens max.

A CLOSER LOOK

 › Swivels to light work area or bag contents.
 › Ergonomic handle design helps reduce fatigue.
 › Powered by 2 AAA batteries (included).
The Lighted Handle Roller Bag is a versatile bag that allows for easy transportation of your power tools and accessories over almost any terrain. Perfect for any job site, the built-in swiveling handle light allows you to light your work area or the inside of your bag with ease.

FEATURES

› Convenient, integrated 3 level LED light system.
› Large, sturdy telescoping handle extends for fast transport of heavy loads.
› Large interior holds most large power tools and accessories.
› 6 Multi-use pockets inside and 11 outside to help organize a wide variety of hand tools.
› Light output: 39 Lumens max.
› Powered by two AAA batteries (included).

A CLOSER LOOK

› Swivels to light work area or bag contents.
› Double zipper top folds back and magnetically attaches to telescoping handle.
› Heavy-duty treaded wheels for easy bag movement over rough terrain.

LIGHTED PRO CONTRACTOR’S BUSINESS PORTFOLIO

L217  LIGHT  BUILT-IN LED

This LED lighted Pro Contractor’s Business Portfolio with built in calculator, external tape measure clip and full zipper closure keeps you organized. Also features a flexible neck LED Light and 8½” x 11” note pad. LED light is powered by 2 #2016 batteries (included).

FEATURES

› Full zipper closure.
› Poly material with soft, textured spine.
› LED light is powered by 2 #2016 batteries (included).
› Multiple business card pockets.
› Spring clip for 8½” x 11” writing pad.
› External tape measure clip.

A CLOSER LOOK

› Built in calculator.
› Easily positioned LED light for use in low light conditions.
› Pen pockets and document sleeve.
SOFTSIDE TOOL CARRIERS

BUILT FOR ANY JOB

JOBSITE PROFILE: PLUMBING
We design every kneepad we make with a focus on comfort, protection and function. Our top-of-the-line kneepads offer the ultimate in comfort by using a combination of layered gel and soft foam padding. The knee cups and strap systems are designed to hold the kneepad in place and make the fit as comfortable and safe as possible. We have kneepads for all applications with caps designed for stability, mobility, or for polished surfaces.

APRONS AND COMBOS

THE INDUSTRY STANDARD
General contractor, carpenter, electrician, construction worker, we make an apron or combo that will fit your needs. Packed with features, our tool belts are depended upon by more tradesmen than any other brand. They appreciate CLC’s quality, value, and features, like our patented pouch handles, our gusset pocket design, variety of pouches, belts, and tool holders. We’re always thinking about how the job gets done, and we build our belts accordingly.
5605 XL - Fits waist sizes 47” - 55”.

5608 XL - Fits waist sizes 47” - 55”.

- Easy carry handle design provides simple adjustments, easy carrying and storage of apron without spilling contents.
- Totally versatile - all parts removable and interchangeable.
- 5” Wide padded comfort belt with double tongue steel roller buckle.
- Sta-Open feature on main reversed pockets.
- Rugged, lightweight ballistic poly fabric.
- Fits waist sizes 29” - 46”.

5608
4 PIECE CARPENTER’S COMBO

POCKETS | 17

MULTI-TACKLE SERIES

Wild River by CLC is excited to introduce the newest member of our outdoor family, the Multi-Tackle (MT) series. The MT outdoor backpacks are designed with the sportsman in mind and is the ultimate solution for all your tackle storage needs. The endless storage configurations are just a few of the many features this series has to offer.

MULTI-TACKLE LARGE BACKPACK

Storage configuration: Fits up to six #3500 style trays in top compartment and four #3600 style trays in main compartment.

WT3606 - Multi-Tackle Large Backpack with two #3600 style trays.

WN3606 - Multi-Tackle Large Backpack without trays.

› Lower tray compartment for storage of up to four #3600 style trays.
› Large upper storage area with removable divider, converts backpack for storage of larger items.
› Front pocket cover folds down to provide a convenient work surface.
› Large adjustable padded shoulder straps with sternum strap for all day comfort and fit.
› Clear internal pocket to keep your maps and licenses visible but dry.
› Capacity to hold up to six #3600 and four #3500 style trays.
› Base pads to reduce wear and help keep bag clean and dry.

MULTI-TACKLE SMALL BACKPACK

Storage configuration: Fits up to two #3600 style trays in top compartment with divider down and four #3500 style trays in main compartment.

WT3508 - Multi-Tackle Small Backpack with two #3500 style trays.

WN3508 - Multi-Tackle Small Backpack without trays.

› Lower tray compartment for storage of up to four #3500 style trays.
› Large upper storage area with removable divider, converts backpack for storage of larger items.
› Front pocket cover folds down to provide a convenient work surface.
› Large adjustable padded shoulder straps.
› Clear internal pocket to keep your maps and licenses visible but dry.
› Storage of up to four #3500 or two #3600 style trays with the divider down.
› Base pads to reduce wear and help keep bag clean and dry.
CLIMATE GEAR™

BELTS AND SUSPENDERS
TAKE A LOAD OFF
We've designed our tool belts and pouches to carry the necessities that get you through your day, and our high quality work belts and suspenders help carry the load. Whether your preference is for lighter weight, breathable polyester or tried-and-true leather, we have a belt that's sure to fit. And if you're the type that likes to load up your apron or pouches with a tool for any situation, our suspenders will help distribute that extra weight and shoulder the load a little more comfortably.

Welcome to the CLC work glove section. Our latest glove offering, right here at your fingertips. Inside you’ll find a broad selection of styles for a multitude of applications. Our product designers have worked tirelessly to create some classic styles with innovative features that fit the needs of even the most discerning tradesman. We’ve selected the right materials and use tested construction techniques to give you superior wear. And, not only are our products built right, stylish and functional, they fit right, too. We take great pride in being a leader in the work glove category.
CLC Flex Grip gloves deliver an unmatched blend of style, function and quality. They’re form-fitted for added dexterity and reduced fatigue. We use quality materials and time-tested construction methods to make this dynamically styled line the best-of-the-best in high dexterity gloves. Our Synthetic palm material provides increased abrasion resistance for better wear. And our Stretch-Fit™ thumb feature and spandex back combine for a better fitting glove with greater flexibility.

**WORKRIGHT™**

**SIZES**  M, L, X
Polyester lining provides warmth without bulk.

Synthetic palm material for increased abrasion and tear resistance.

Padded palm, fingers and knuckles provide protection against bumps.

Textured fingertip pads provide added abrasion resistance.

Elastic cuff with medical grade hook and loop closure and textured pull-on tab.

Bundling:
- *Mossy Oak® is a trademark used under license from Hass Outdoors, Inc., by CLC.
**GLOVE TECH FEATURES**

3 Touch screen finger tips for use with multiple devices.

Reinforced textured palm pads and fingertips for better grip and durability.

Synthetic leather palm material for increased abrasion and tear resistance.

Bright lime-yellow LED illumination around rubberized safety cuff.

Illuminated flexible polymer strips with 2 settings: steady glow or flash modes.

Terry-wipe thumb helps gently remove sweat or debris from face.

Stretch spandex back for flexibility and fit.

Padded palm and knuckles provide protection against bumps.

Powered by easily replaceable #2032 3V Lithium batteries (included).
We’ve taken premium grade leather and combined it with breathable, stretch spandex to give the ultimate in comfort and performance. Our Hybrid line is truly a synergistic blend of materials that work better together providing durability and comfort along with a strikingly stylish look and solid feel. Once you’ve tried our Hybrid gloves, you may never go back to traditional work gloves.

Our complete line of winter work and sport gloves help to keep your hands warm in the most unforgiving cold weather conditions. We offer a variety of materials and styles that are lined or insulated to keep you comfortable when work or play takes you outdoors in winter.
When handling chemicals, it’s always a good habit to wear the appropriate gloves and eye protection. We carry a number of chemical resistant gloves, both reusable and disposable. Matching the type of glove to the chemical exposure is key. We make gloves made of PVC, Nitrile and Latex, in coverage lengths from wrist to gauntlet so the correct glove can be chosen for the required application.
