ALL SALES ARE SUBJECT TO THE FOLLOWING TERMS AND CONDITIONS:

TERMS

We extend Thirty (30) Days open account to customers on approved credit. If credit terms are desired on new accounts, please accompany your first order with credit information. Your first order placed will be C.O.D., unless pre-approved. **Current bank interest rates will be charged to overdue accounts. Should suit be instituted to collect any debts, customer will pay all actual cost of collection and Attorney fees.**

FREIGHT POLICY

Freight charges are \$1,500.00 pre-paid throughout the continental United States. \$2,500 pre-paid to Hawaii, Alaska and Canada. **Fuel surcharge applies to items where excessive weight and/or dimensional considerations would be a factor: such as backerboard screws, mixing tubs, screeds, pan liners and sponges.**

CLAIMS FOR DAMAGED GOODS

For merchandise damaged in transit, the shipping department must be notified immediately. If the shipment packaging shows visible damage, report it to the drivers also. Please retain damaged material, as an inspection is often required when a claim is filed.

CLAIMS FOR MISSING GOODS

All merchandise shipped include a packing slip and a bill of lading that provides a pallet and article count. When you sign for a delivery, you are verifying all articles are accounted for and therefore accepting liability. **Any claims must be reported to Troxell USA within 3 days of receipt of shipment.**

DEFECTS

The billing department **must be notified** of any defects and price or quality errors within **5 working days after receipt of shipment**. Defective merchandise may be returned no later than 30 days after receipt.

RETURNS

No merchandise may be returned without written or verbal approval from our office. All material should be returned prepaid. **No merchandise may be returned that has been out of the factory for 3 months or longer.** Merchandise that has been discontinued, either in our catalog or price sheet, cannot be returned under any circumstances. **No returns shall be accepted on special order items.**

CREDITS

Credit for returned goods not accompanied by the original invoice number will be issued at the current price from which shall be deducted. -20% of the net credit value, for handling and restocking.

Credit for freight charges shall be issued on defective materials and in-house errors only. Credit not taken within a one year period will be forfeited. Refund checks shall not be issued unless the account is to be closed permanently.

PATENT PENDING

SUPER-SOFT KNEE PADS®

So comfortable, you'll forget you're wearing them!

The perfect combination of protection and comfort other kneepads just can't match. Unlike other knee pads, they are so comfortable that they can be worn with shorts.

The quick-fastening front-strap design and "clear zone" behind the knee eliminates rash or pinching. They are constructed of washable premium grade neoprene. Max compression inner foam pad provides durable cushion and comfort for the knees that won't rupture or ooze gel. Non-marring urethane or leather cover extends life of kneepad for longer wear.
