

TRUE TEMPER®

FULL LINE CATALOG

True Temper's roots date to 1808 in "The Old Stone Shop" in Wallingford, Vermont. Alexander Miller, a blacksmith, manufactured shovels, hoes, and axes in a shop made of marble from a nearby quarry.

In 1949, the company name became True Temper®, reflecting a newly developed process to temper steel.

Today, True Temper is one of the most widely recognized Lawn and Garden tool brands in the industry.

**“BUILDING ON 200+ YEARS, TRUE TEMPER® CONTINUES

SCRATCH FREE SNOW BRUSHES

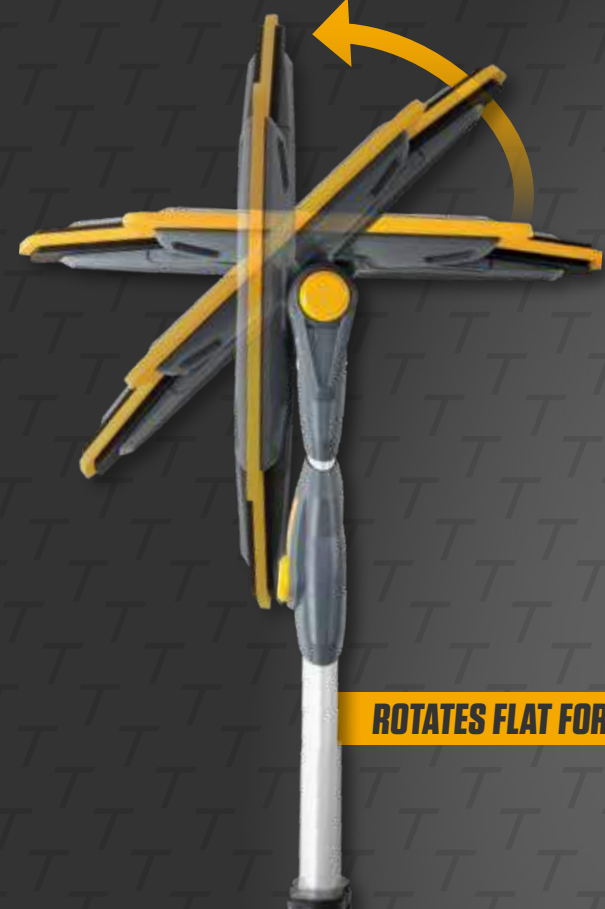

THE SNOW BRUSH WITH NO BRUSH!

- EVA FOAM WON'T SCRATCH, CLOG, OR FREEZE
- SAME MATERIAL USED IN PROFESSIONAL CAR WASHES

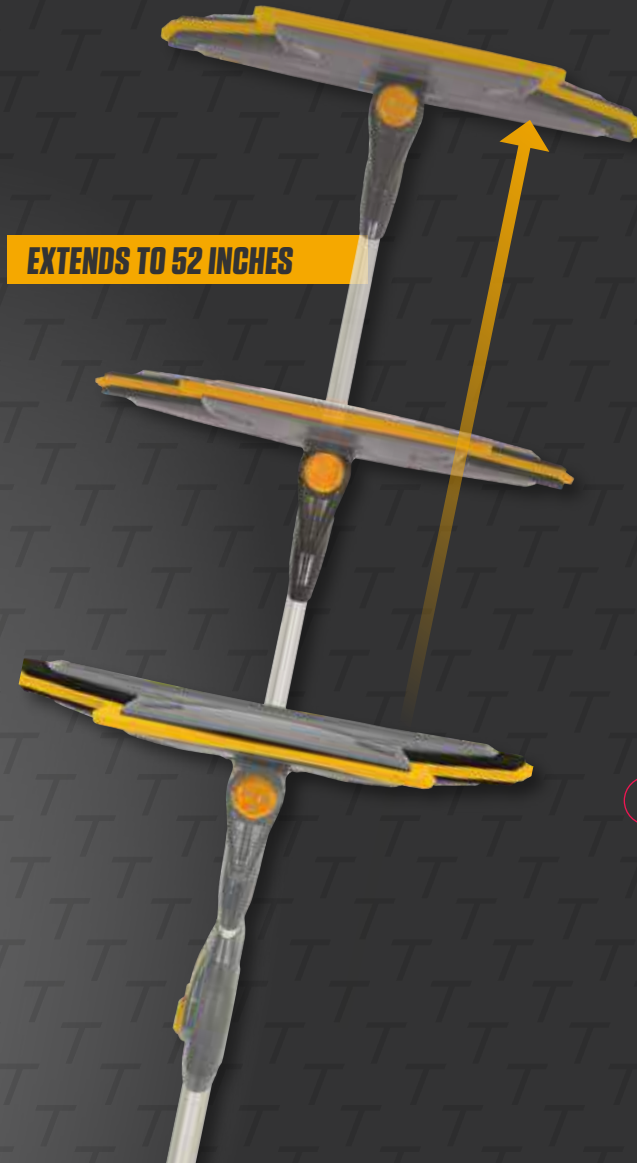

EXTENDS TO 52 INCHES

A diagram of the snow brush with its telescopic handle extended. A yellow arrow points from the bottom of the handle to the top of the head, indicating the full extension. The brush head is shown in a slightly angled position.

ROTATES FLAT FOR STORAGE

A diagram of the snow brush with its telescopic handle. A yellow arrow indicates the brush head rotating from its default angled position to a flat position against the handle, demonstrating its compact storage capability.

EXTRA-WIDE HEAD FOR FASTER CLEANING

A diagram of the snow brush with its telescopic handle. A yellow arrow points to the wide, rectangular head of the brush, highlighting its large surface area for snow removal.
