HEAVY-DUTY EXTRA PADDING LEATHER KNEEPADS
APRONS AND COMBOS
THE INDUSTRY STANDARD
General contractor, carpenter, electrician, construction worker, we make an apron or combo that will fit your needs. Packed with features, our tool belts are depended upon by more tradesmen than any other brand. They appreciate CLC’s quality, value, and features, like our patented pouch handles, our gusset pocket design, variety of pouches, belts, and tool holders. We’re always thinking about how the job gets done, and we build our belts accordingly.

When handling chemicals, it’s always a good habit to wear the appropriate gloves and eye protection. We carry a number of chemical resistant gloves, both reusable and disposable. Matching the type of glove to the chemical exposure is key. We make gloves made of PVC, Nitrile and Latex, in coverage lengths from wrist to gauntlet so the correct glove can be chosen for the required application.

High dexterity and disposable gloves are a necessity for the professional, occasional, or hobby mechanic. Our Pit Crew automotive glove line is made using the same high quality materials and construction techniques as our Flex Grip line. No matter if you're changing oil, rotating tires, or swapping out an engine, we've got the fit and protection you need around the shop.
We're dedicated to, and focused on in-store support. We understand our customers and the necessity of making work gear appealing and accessible. We have a number of different displays designed to capture the attention of a busy tradesman or pique the interest of a project confident DIY-er. Take a moment to check out all our hard-working, easy-to-use merchandisers.
