

"Timeless Beauty"...

Natural Stone has a place in history where the past is always present.

Natural Stone Veneers International (NSVI) fabricates natural thin veneer stone for interior and exterior building

applications. NSVI has emerged as the leader in the natural stone industry with its diverse natural thin veneer stone products, distribution and marketing.

Designing with Natural Stone "Volume 7" is a compilation of over sixty product lines quarried from around the world. These collections expand and complement structural dimension with a diversity of color and texture. Many variations on how Natural Stone Veneers can be the crowning achievement to any construction endeavor are depicted in project photos throughout this catalog. New products and a complete photo gallery can be found online.

MADE IN THE U.S.A.

Mosaic Collection

Fieldstone Collection

Naturally rough-hewn fieldstone is collected from its original geological deposits and transposed to its new architectural element.

Diamond Ridge™

Ledgestone Collection

imensional Ledgestone

Old World Collection

Glenwood™

Glenwood Overgrout™

Prescott™

The Old World Collection yields a rustic feathered finish. It lends a solid and grounded feel while utilizing a rhythmic, flowing pattern to add softness yet interest to the finished project.

Santa Cruz™

Riverton™

Stone Sewel Collection

Stone Jewel is a dimensional interior and exterior product. It can be installed both vertically and horizontally. Its versatility can be seen on the photos below.

Flat and Corner Packaging

FLATS: Up to 10 Sq. Ft. per Box

Up to 100 Sq. Ft. per Crate

Up to 180 Sq. Ft. per Crate

CORNERS: Up to 10 Lineal Feet per Box

Up to 100 Lineal Feet per Crate

- Ledgestone Collection is packaged for tight fit installation.
- All other collections packaged using a 1/2" mortar joint.
- NSVI recommends a thin set mortar meeting ANSI 118.4 on any exterior tight fitted joint installation.
- Images shown in this catalog are intended to be as accurate as depictions of color and texture can be on the printed page.

 Because NSVI produces a natural stone product, shades may vary.
- For best results of color and texture, work from as many packages as possible.

Design & Detail Recommendations

Information on the proper design and detail of the backup structures and other design information for NSVI stone can be found in the 2013 Building Code Requirements for Masonry Structures (TMS 402-13/ACI 530-13/ASCE 5-13).

Installation Instructions

Installation guides, videos, cleaning instructions and corner installation for Ledgestone and Dimensional Ledgestone can be downloaded from our website in PDF format. We also offer a 10-Step Video Tutorial showing the application of our natural stone veneers.
